Past Tense

To express events that happened in the past, use the past tense.

Add d or ed to most regular verbs to make them past tense.

Want + ed = wanted

I	wanted	We	wanted
You	wanted	You	wanted
He	wanted	They	wanted
She	wanted		
It	wanted		

- See the list of regular verbs. Write each in the past tense with a short sentence.

There are many irregular verbs in English. See the list.

The verb “to be” is an important one to learn.

I	was	We	were
You	were	You	were
He	was	They	were
She	was		
It	was		

You are going shopping. Make a list of all of the things you need to buy and the stores you want to go to.

Regular English Verbs

Here is a list of *some* common regular English verbs. Add “s” to third person (he, she, it) to form the “present”. If the verb ends in “e”, add only “s”.

Add “ed” to form the simple past and past participle for all persons. ”. If the verb ends in “e”, add only “d”. Add the auxiliary verb “to have” to form the past perfect.

Example:

I accept my responsibility.
(present)

I accepted the gift.
(past)

I have accepted the position.
(past perfect)
